Group

MULTIPLE INDUSTRIAL SERVICES

An ISO 9001:2015 Certified

## ABOUT US

TIRUMALA GROUP was established in the year 1991, with its flagship company TIRUMALA SERVICES, to provide quality manpower in all fields of expertise to address the ever increasing need of the industry.

Since the inception, our focus has been to provide quality services at a competitive price to our esteemed customers. And we are proud that we were & still doing it in a successful manner. It is due to our team's professional and committed approach, in over the past 25 years, we have been able to grow to become a name to reckon, in the field of manpower solutions. We are always striving hard to address the changing needs of the market and accordingly venturing into newer segments. And we are happy to share that with existing and new ventures we have been able to spread our operations to the entire nation.

## MISSION

To be the preferred business partner across the market segments in the industry through our uncompromising quality services, operational excellence and professional ethics. To adapt to the client's changing needs as well the changing markets to be the business of success, growth and integrity.

## VISION

To be the leader in value creation, providing our customers with manufacturing, operational and maintenance solutions through innovation, technology and sustainable practices.

## OUR VALUES

At Tirumala, we are very passionate about our work. We strive to continue offering more value to our clients and employees. A common set of values and goals, shared by every member of our company serves as a standard reference point and enables us as all to move together successfully into the future:

Excellence And Quality

Respect

Innovation

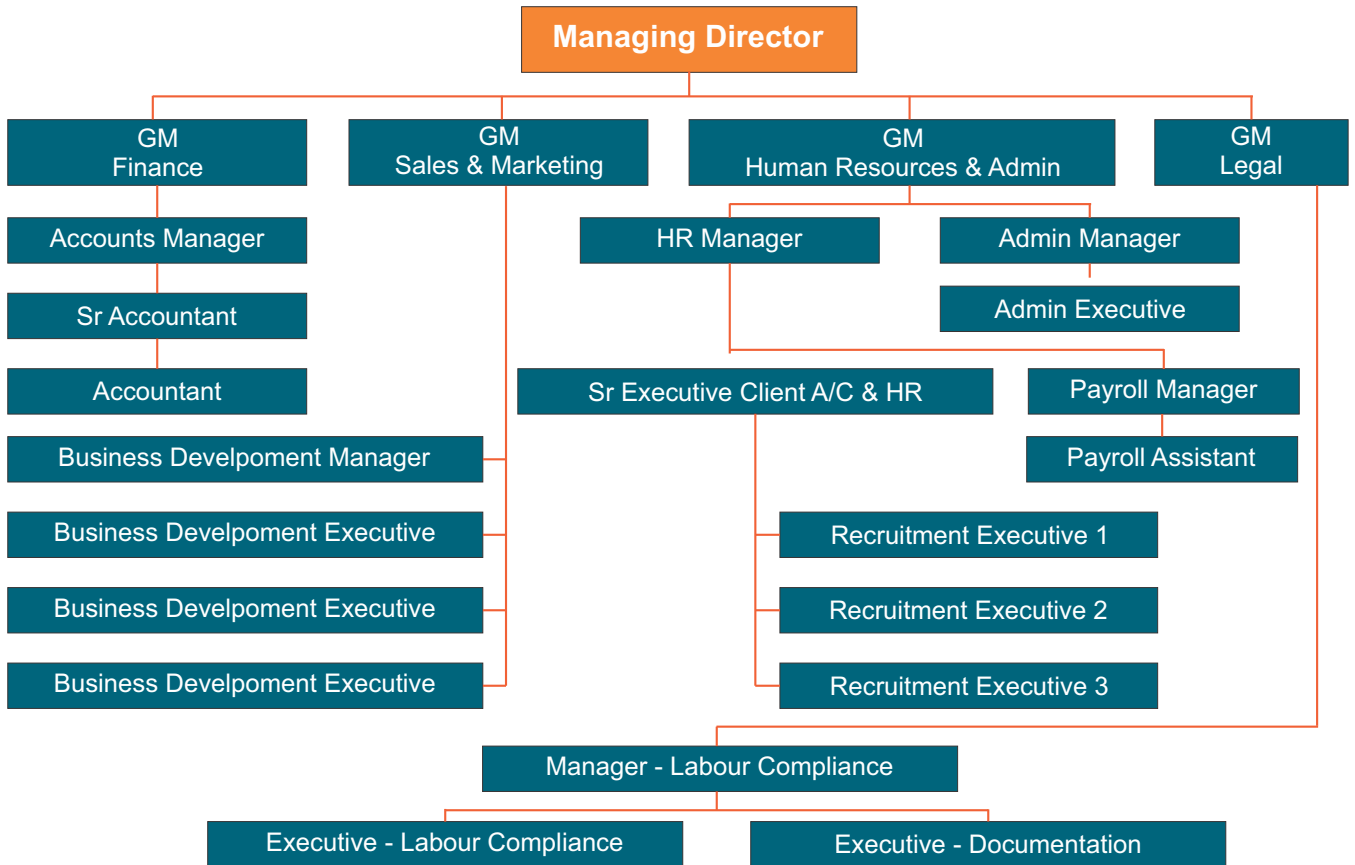

Accountability

People Development

"Best Service Provider Award 2008" From VISHAY COMPONENTS INDIA PVT. LTD.

## MANUFACTURING CONTRACT

**UNITECH**  
CORPORATION PVT LTD  
An ISO 9001:2015 Certified

Under the banner of UNITECH CORPORATION PVT. LTD., we have ventured into this segment of business. The concept of a factory within a factory describes a virtual organization. This approach results in a highly flexible enterprise with limited physical asset of its own. The lead company focuses on planning and coordinating supplier activities and on marketing the outputs of the virtual organization.

This involves highly technical line and needs highly skilled manpower with Stability to give quality product and on time delivery. Our Group have a specialize team in our office who have a role to hunt good and qualified manpower from the market and hire it and give extensive training on the product.

### We Manufacture:

- Wind Mill Blades for Suzlon Limited in Jaisalmer, Rajasthan & Padubidri, Karnataka.
- Spiral Piping for Supercritical boilers for Thermax Babcox & Wilcox Energy Solutions in Shirwal, Satara.
- Operating facility and civil maintenance department for ADANI Power Ltd. (Formerly Udupi Power Plant) at Udupi, Karnataka.

We are into manufacturing of export quality Nylon Ropes (2 mm to 14 mm). Net fabrication for fishing activities and making of fish cages. Fabrication of coated fabric as per the given drawings and netting of all sports nets. All the above activities are carried out at our owned location with our infrastructure (Land/Building/Electricity/Management/Manpower) and company material.

## MAINTENANCE CONTRACT

**M/s. AMULYA**  
**TRADERS**  
An ISO 9001:2015 Certified

Under the banner of Amulya Traders, we execute various engineering maintenance contracts. Across the industry, Amulya Traders is the preferred name when choosing a maintenance partner.

### Our Services

- Mechanical Work
- Painting and Plumbing Work
- Facilities Maintenance & Management
- Electrical & Civil Work
